Ann - I sure don't know what I have to do to get you to write me. I sure miss you. Please come see me this summer. Ann, you are one of the sweetest girls I know. I know you will be a success in whatever you try. Bless you

Ann - I have been knowing you - I hope Rich meets the cruel fate he deserves. He sure is a bitch. Damn it, it's been fun. How are you? How do you feel? I feel fine just in case you did ask me. Lots of luck with the boys at Cal Tech. It sure isn't fun kissing a ruler is it? I know just how you feel.

quay Hall

Lots of love,  
Susie Pusie

to Ann -  
It has been a real pleasure for me to have known you this past year. I hope we will always be friends, and I hope to see you some time. I know you will be a big success in whatever you do! I wish you the very best of luck, happiness and success always.

May fond memories  
always be yours,

Linda Carter

Ki, Anne,  
I will be so  
to see a wonderful  
actress and girl  
leave our school.  
Have the best of  
luck in the future  
with your career.  
Love,  
Beverly

Dear Annie - I've  
I feel like I've  
finally gotten to know  
you this last semester.  
You're loads of fun and  
if you sound like a little  
old woman! "h.  
God bless always!  
Love

Annie,

Ann Franklin

I can remember once when you went to a Miss Highneighbor contest with all of us. It was so much fun. I wish we could have continued doing things together. One thing I'll never forget is when you put on that very dramatic scene down at the beach. I've always looked at you <sup>(since then)</sup> as a great actress, you are too. It's been so much fun knowing you, you're always full of witty things to say and do. Good Luck! (I never would have met you I'd be unfortunate.) I feel so silly! Anyway, hope we're always friends. Love Pete.

To Anne Frank as a dedication:

ANN I dedicate To Miss Frank in your name in hope That just a little of Miss Frank's glory will Transfer and That you may become a woman par excellence

Darrel Kelly

Annie -

Will you ever forget Easter Week on 36<sup>th</sup> St? Good luck at U.C.L.A. Let me know how you like it.  
Joyce (Brune)

Never again will I ever find such a tennis partner. I'm really going to miss playing with you. Also congratulations on your trophy. You deserved it. Best of luck at U.C.L.A. Love you  
Linda (Pierce)

Annie -

You were tremendous in the Diary of Anne Frank - I've never seen anyone who could act as well as you. I'll always admire you. The best of luck at U.C.L.A. - You'll like it -  
By forever  
Joan

Ann - you've got talent so don't let it go to waste - try and cultivate it and before you know it you might be a famous playwright.  
Ann's Love

RESERVED

Ann,

Why, Oh why are you so honest!

I'm sure you've made tons of enemies by being so truthful, but the friends you've made by your sincerity are eternally yours." I've truly treasured out our discussions, only I do wish everytime I mention a certain someone, you wouldn't begin a dissertation on the "unlikeable one." Ann, what are you going to be - a bab-uk', a writer, or a bum? I imagine you as a fine, controversial actress with a broken heart every week. Oh Ann, you've been a wonderful friend to me. You've never been fake or untruthful to anyone and as a result you have many friends who really like you. I can't wish you enough happiness at UCLA - I sincerely hope you have lots of children - live in a tiny, quaint village and marry a bald old man - Exactly what you want out of life - Ann, May God bless you always.

Love,  
"Judy Bee"

P.S. Seduce our friend, write in his annual -  
and 'cause I want to see it!!

Ann

Knowing ~~the~~ you these  
past years has been a  
pleasure.

When you play "Anne Frank"  
on Broadway be sure to  
tell me -

See you at homecoming

Sharon  
Morris

To Ann (Frank)

You gave a fine  
performance in  
the Dr. play! We  
won't meet again,  
Vaya con  
Dios.

Bruce Kenney

Ann  
this year  
for these  
years. Don't forget  
me. I made it  
especially and  
will be at  
the homecoming  
party.

To Peg,  
the greatest  
girl I could  
have! I wish  
you were  
always  
leaving us.  
Love  
Linda

Anne -  
You are a great actress and  
playwright in my opinion. We'll  
have fun at U.C.L.A. this summer  
it's going to be a blast. Keep laughing

Sincerely  
Oh Ann, you are really too, too special to try to convey my earthly thoughts to! I love you for your wit, your body, your versatility, your emotions, your sense of humor, and your intelligence. Oh dear, you told me to let my body run away with me and look what I came out of with!! Oh Annie, the very best of everything to you always! I know I'll never forget you — you'll love, Nancy N.

As the cover of the El Camino Real suggests, the theme of our 1961 yearbook is OUR SPANISH HERITAGE. All who have attended San Gabriel High School are aware of the Spanish names connected with the school and the community. Most of the student body comes from San Gabriel, a city which has taken its name from the Mission San Gabriel Archangel founded in 1771 under the direction of Father Serra. Our yearbook, the El Camino Real, derives its name from the famous King's Highway, which connects the chain of missions and is located to the north of our school. The Matador represents our fighting spirit like that of the original bull fighter of Spain. Ramona street, which fronts our school, is named after the central character of Helen Hunt Jackson's famous novel of the early Spanish days in Southern California. As you look through the El Camino Real, you will undoubtedly recall other names and traditions depicting OUR SPANISH HERITAGE.

## Dedication

On behalf of the San Gabriel High School student body, the annual staff wishes to dedicate the 1961 El Camino Real to our Senior Counselor, Mr. Robert Freeborn. Through his counsel, guidance, and understanding, we have been successfully guided toward our future goals. As the sixth year closes, we realize how fortunate San Gabriel High School is to have had Mr. Freeborn as part of its administration. It is with great thankfulness that we make this well-deserved dedication.

## Principal

About two hundred years ago El Camino Real was a mere trail connecting the California Missions. As more people traveled this path, it became more famous; and today it is known as the King's Highway.

Today the San Gabriel Matadors are again traveling a trail called El Camino Real. Each succeeding class is adding fame to its illustrious history. Graduates will always look with pride to the realization that they have truly traveled the King's Highway.

Each year a group of students are chosen for membership in Los Renombrados, the senior honor society. In order to qualify, a student must have maintained a B average with no U's in citizenship. From those eligible, the final selections are made by a vote of the faculty and the senior class council on the basis of leadership, character, and service to the school and community.

*Annie - the best natured girl in school. I won't say anything insincere because I know you hate you. I'll just say I like you & hope to see you at school next year. All the best of every thing. Love Anne D.*

# Senior Play

"I try to keep the bad Anne inside and the good Anne outside."

"I think myself out Peter."

"Will you shut-up? SHUT-UP!"

"Can you hide one more—for just a little while?"

"In spite of everything, I believe people are really good at heart."

# Diary of Anne Frank

"All right, Miss Quack-Quack."

"A razor? What for?"

"The invasion has started! The invasion!"

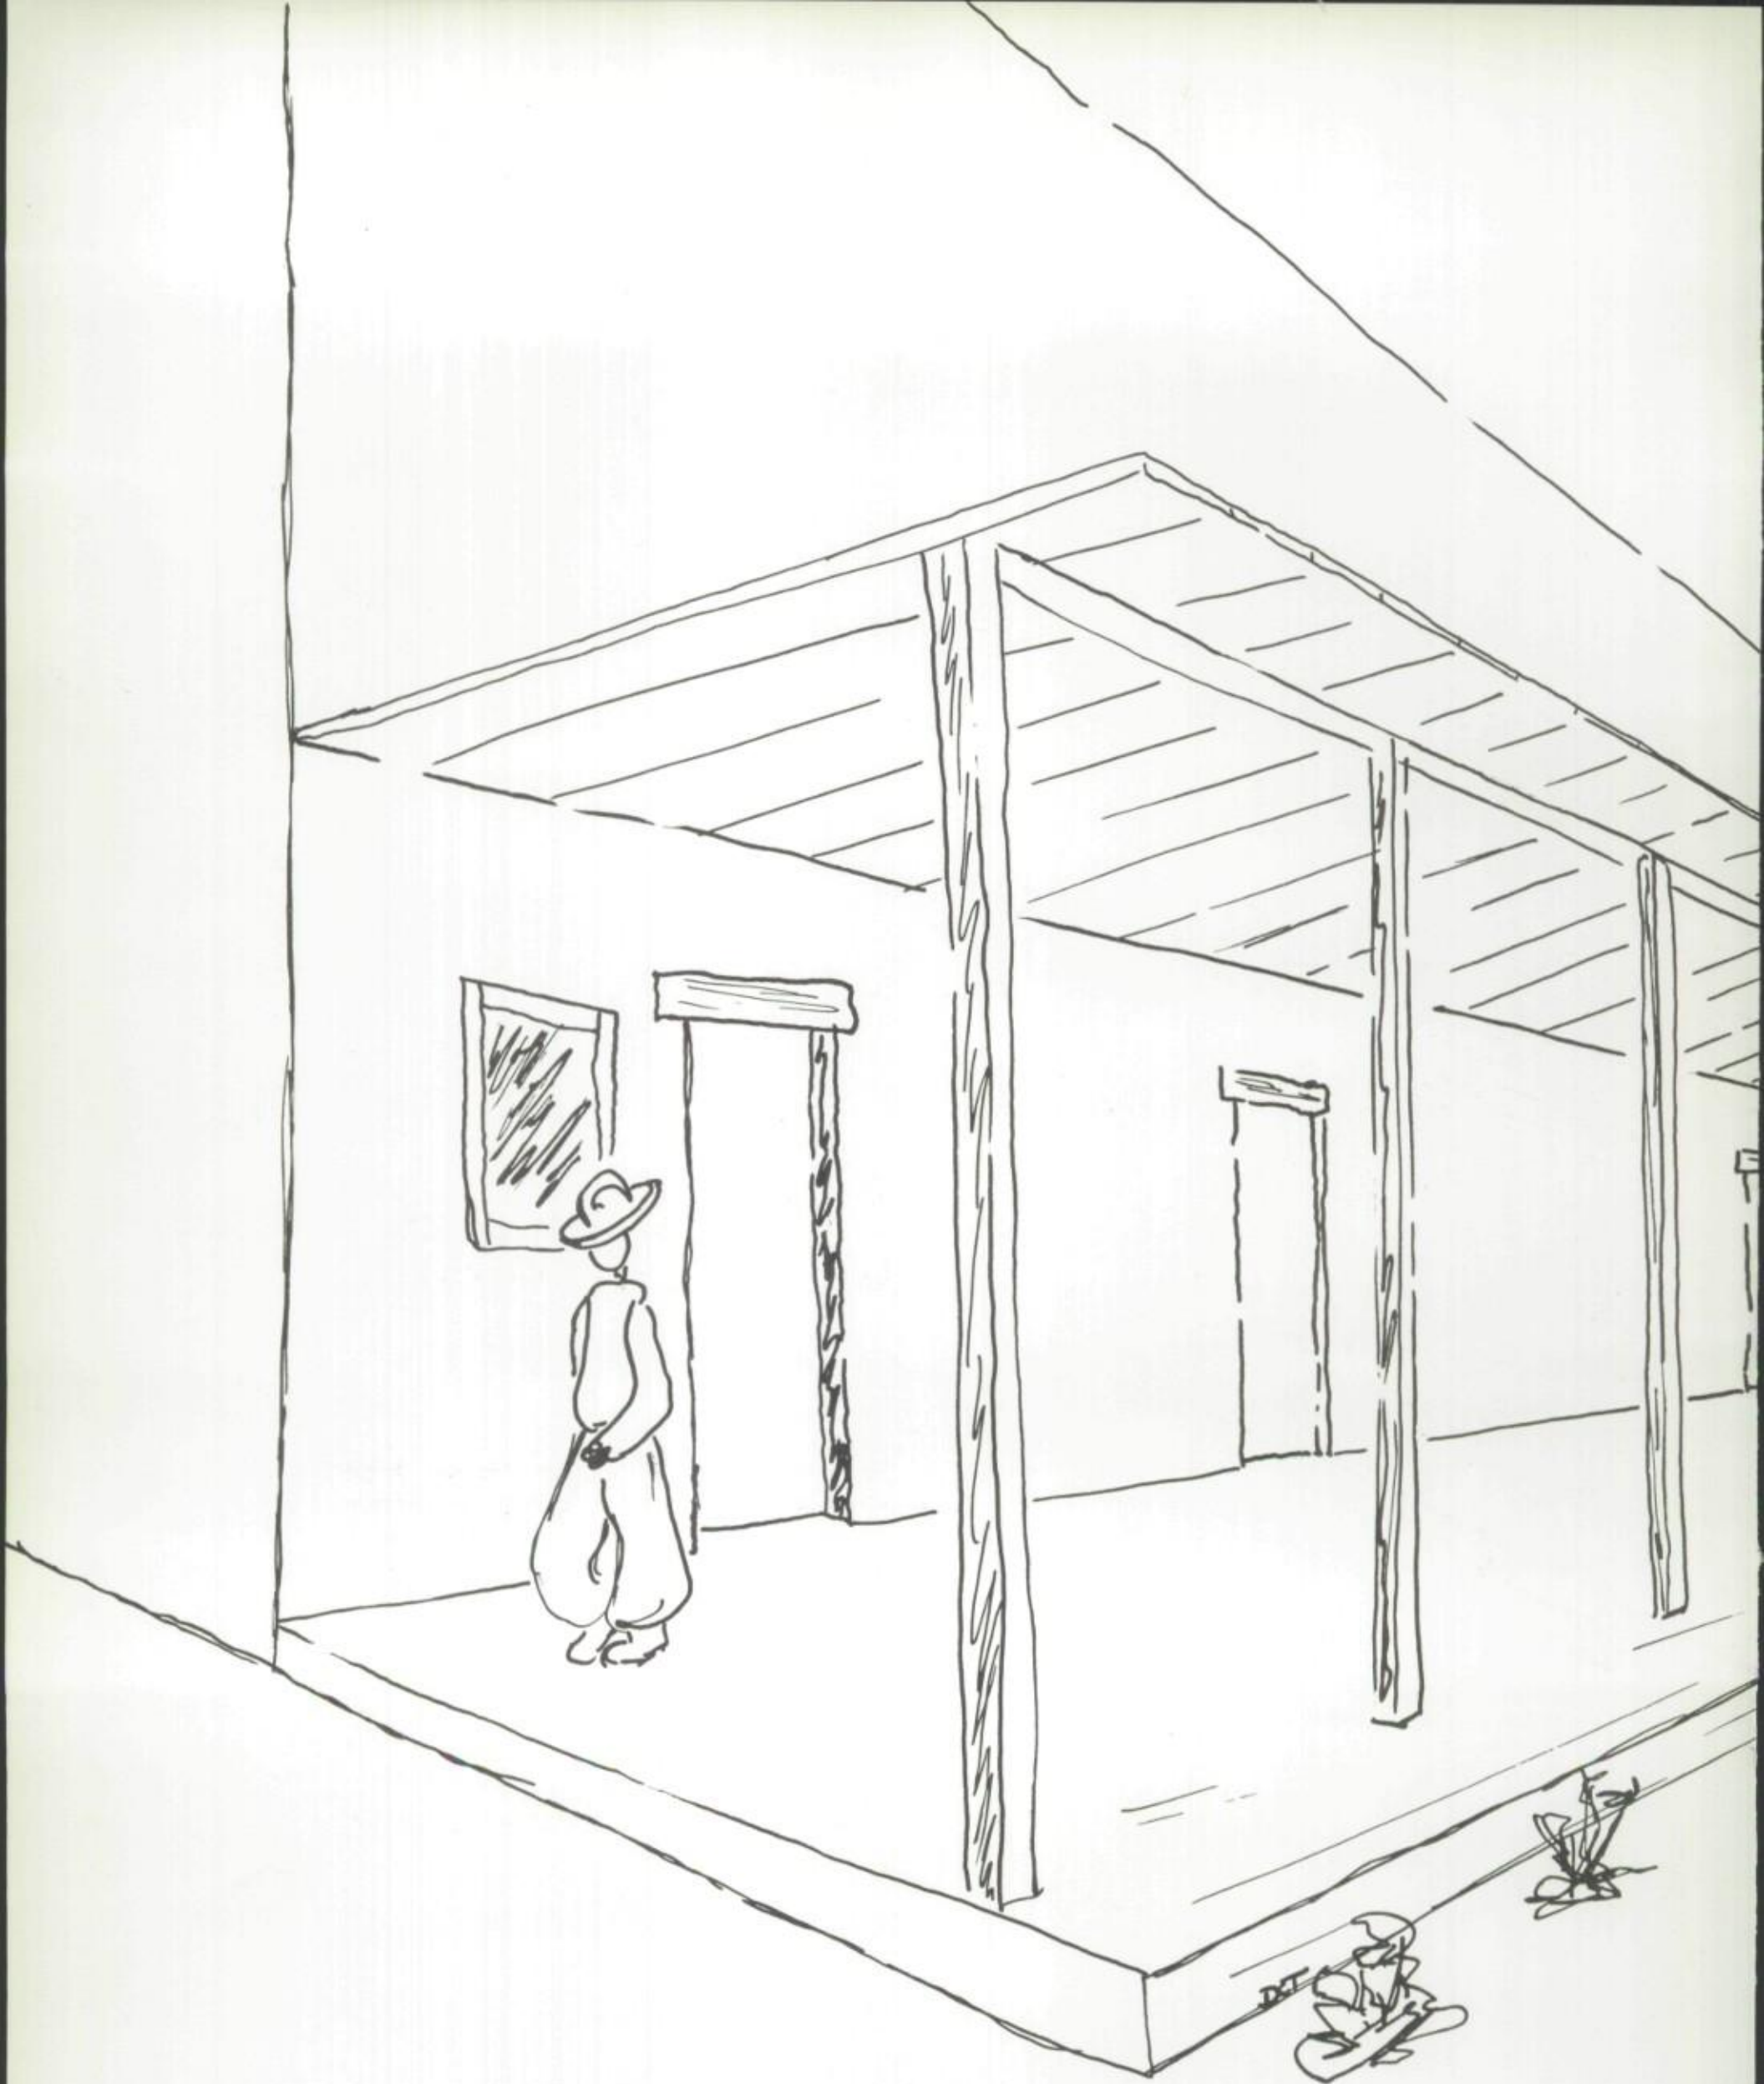

"He's stealing the bread. The bread!"

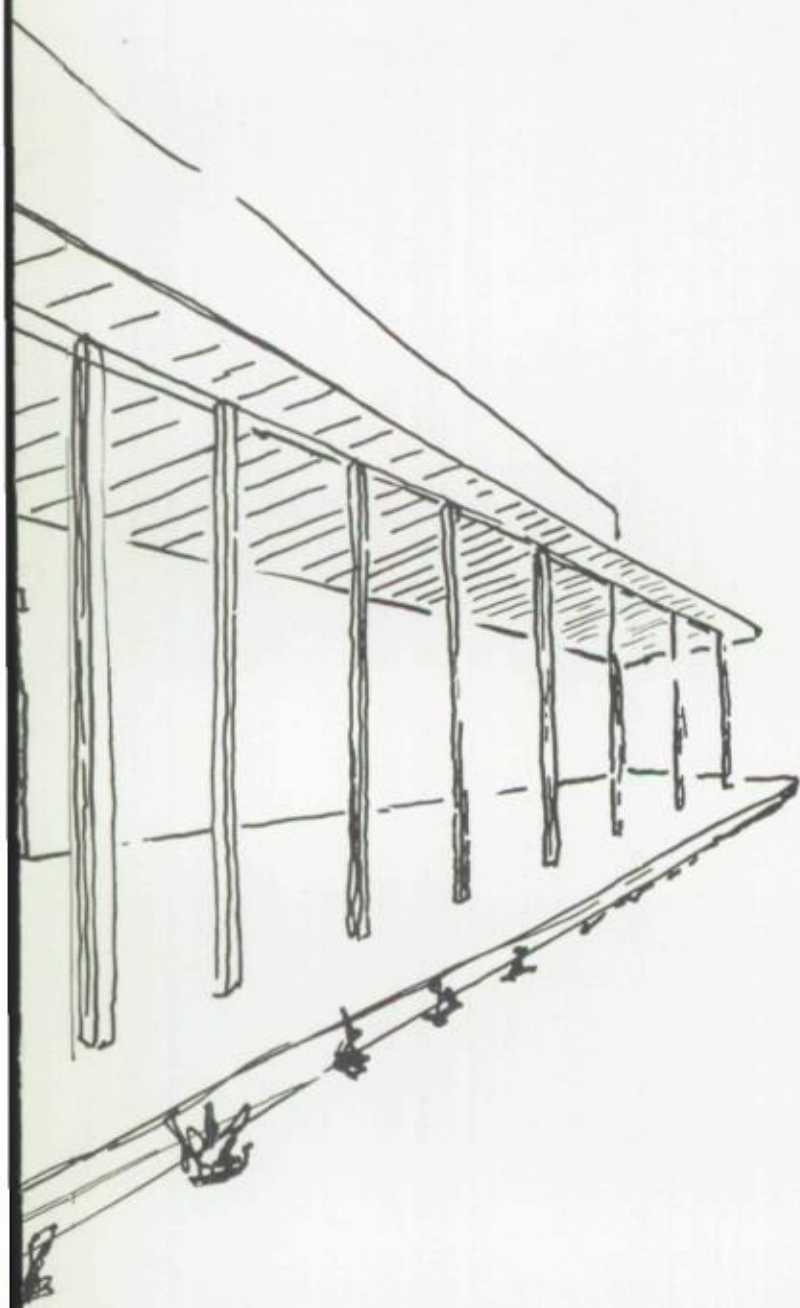

"Stop it, stop it—you're spoiling the whole invasion!"

# *Classes*

The various classes at San Gabriel High School have offered a solid background for our future years. The Juniors, Sophomores, and Freshmen will have many memories of their classes. They can think back upon the completed classes and look ahead to the courses of the coming year. They will remember teachers, classmates, cramming for tests, and the hard work that was involved. They will be thankful someday for the privilege of being able to learn.

¡Veamos a nuestros compañeros de clase!

# *Student Administration*

Our student administrators deserve to be commended for the fine job that they have done in planning the activities of the student body. The educators have placed faith and confidence in these student leaders, who are learning the principles of student government. From this experience they will be able to apply this learned knowledge when the responsibilities of maintaining democracy is theirs.

Larry, Laura, and the advisor Mr. Thrall look over the important part of any paper, the pictures.

The advertisements are checked carefully.

Editors talk over fine points of journalism.

## Matador Staff

The San Gabriel **Matador** is published by the students of San Gabriel High School for the students of the high school. The staff is made up of interested journalism students, who learn the fine points of journalism as they put out the paper each week.

There are many parts to the staff. In addition to the Editor-in-Chief and a sports editor, there are page two and page three editors and assistants. Also, a very active member of the staff is the correspondence editor. He takes care of the exchange of papers with other schools all over the United States. Each week, he must prepare approximately five-hundred papers for mailing.

Of course every paper must have reporters, and the **Matador** is no exception. The job of the reporter is an interesting one. He must cover a beat on campus and must make sure that all news is in on time.

This year's staff won an award for the content and style of the paper. Also the paper received the First Class rating given by the National Scholastic Press Association in a Nation-wide contest.

This year's staff has worked hard, and we hope we have presented an interesting paper to the students of San Gabriel High School.

Laura Lee Eckert

Editor of the **Matador**

# *Clubs*

The clubs of San Gabriel High School furnish practical understanding and useful experience not only in specific occupational and interest areas but also in recreational and cultural fields. These clubs provide education beyond the pages of a book and the theoretical instruction of the classroom. Service clubs have undertaken many worthwhile projects in the community, while academic clubs have taken field trips, have attended lectures, and have seen special films. All types of clubs have contributed to the development of San Gabriel High School.

¡Unidos nos quedamos!

# Activities

A strong school spirit has been created through student participation in school activities. Dances, football games, assemblies, speech and musical activities, and dramatic productions all contribute to a varied school life. In individual and group projects, a student is free to express himself. Many types of activities are needed if we are to be successful in later life.

¡Hagamos una fiesta!

For four years the American Field Service Program has been a very important part of San Gabriel High School. This program, which enables two foreign students to live in our community, attend school for one year, and learn important fundamentals about the United States, is one of the most worth-while and world-peace strengtheners in existence. A great love, understanding, and friendship among the peoples of the world is created as well as a vast education for the individuals. The A.F.S. Program not only sponsors foreign students to America, but also through the high schools sends Americans abroad to live.

San Gabriel High School has through the four years of A.F.S. seen students from such countries as Denmark, England, France, Brazil, Greece, and presently from Italy and Switzerland. Simultaneously, our students who were fortunate enough to travel abroad have lived in Germany, Finland, Norway, and last year's student, Linda Globig, spent her summer in Denmark.

The American Field Service Program, having its beginning as a volunteer rescue service during World War I, has eventually established itself throughout the world and is highly regarded.

San Gabriel can be truly thankful for this program, and it is hoped that through this system of exchanging students — the future leaders — world peace will remain for centuries to come.

As we look back upon our sports seasons, there seems to be constant improvement. In football our "Bees" deserve special recognition for their record number of consecutive victories. All students of San Gabriel High School participated in our athletic program either as athletes or as spectators. Through the combined effort of these two groups, our athletic season produced exciting and successful wins that we will long remember.

## Game High - Lights

San Gabriel High's Varsity gridders enjoyed their most successful season in the brief history of Matadorville as they notched a 5-3-1 season record. Coach Howard Hunt, assisted by Line Coach Lionel Purcell, and Backfield Mentor Tom Putman, saw his footballers in contention for a C.I.F. berth, as they nabbed second slot in the Sierra League standings.

Coach Hunt's troops started the season in fine style, tying San Marino 7-7, marking the first time in the six-year rivalry that the Titans have been unable to boast a win. Co-captain-fullback Barry Leventhal scored for the Capemen on a 2-yard plunge, and tailback Bob Gray booted the clutch extra point to knot the score.

Santa Fe edged the Matadors the following week, 13-6. San Gabriel's lone tally was set up when end Kent Tucker recovered a Chief fumble on the Santa Fe 45-yard line. Nine plays later Leventhal plunged over for a six-pointer.

Against Mark Keppel, the Huntsmen gained their first triumph. Held scoreless for three quarters, they came alive to total a touchdown, extra point and safety to whip the Aztecs, 9-6. Leventhal took a pitch-out from halfback Bob Jones and went around end on a 36-yard scoring jaunt. Gray added the extra point to put the Capemen ahead 7-6, and the safety was just frosting on the cake. Lineman Richard Valencia teamed with linebacker Frank Agostino and halfback Bill Watson to turn in sterling defensive performances.

The Tri-City Championship Trophy went to the San Gabrielites as they swamped Alhambra, 13-0. Leventhal and Gray shared the touchdowns on 1-yard plunges, climaxing drives of 74 and 87 yards. Gray also kicked the conversion, while Mike Mathews and Kent Tucker combined to do a terrific job on defense.

Rosemead dampened the Matadors' Sierra Loop inaugural, ekeing out a 6-0 win. Rich Wolfe, Bill Fisk, Lynn Edwin and co-captain Bud Snickles played excellent ball in the defensive battle.

"Most Exciting Game" laurels must be awarded the Glendora tilt. A fairy-tale ending saw the Capemen score as the gun sounded to win, 28-21. With less than two minutes remaining in the game, the Matadors led 21-19. But safety deadlocked the teams at 21-all. SGHS free-kicked to Glendora; four plays later Leventhal picked off a Tartan aerial and returned it to the Tartans' 41-yard stripe with but 25 seconds left. Gray passed to John Blom on the 25-yard line. On third down with 3 seconds to play Gray drifted back and lofted a high spiral as Tartan muscle almost caught him. Dick Rasmussen streaked under the pigskin and fell into the end zone with the winning tally. To write finis to the affair, Gray kicked one of his four extra points of the evening. Leventhal had a trio of TDs, one a 67-yard run with an intercepted lateral. Bill Fisk recovered a pair of fumbles.

Riding high, the Matadors knocked off Sierra, 26-0. Kent Tucker scored on a 35-yard sprint with an intercepted pass; Bob Jones accounted for 12 points with 48 and 72-yard reverses. Bob Gray added 2 PATs to a touchdown. Don Santana and Richard Sefton sparked the line.

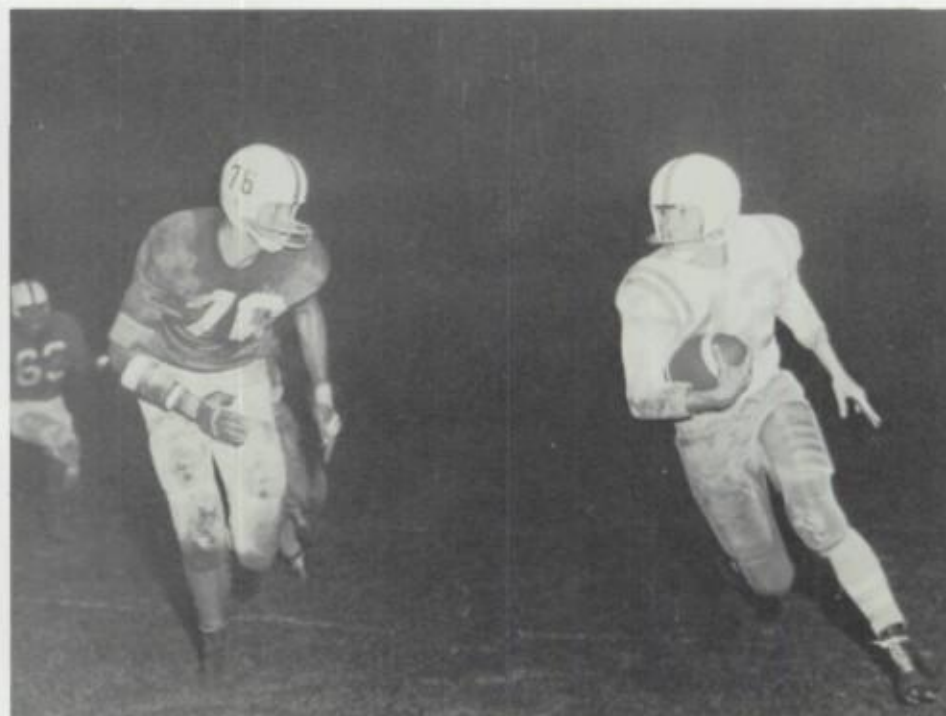

Gray scored twice and Leventhal picked up another TD as the San Gabrielites beat Azusa, 18-7. Outstanding linemen were Rich Reyes and Charles Kirchenbauer. In the Homecoming game the Capemen couldn't sustain a drive and lost to Arroyo, 21-0. However they still finished second in the "Mountain Loop."

## *' 'Mighty ' 'Bee's*

Coach Wilson's "Mighty Bee's" notched their fourth consecutive Sierra League Championship as they defeated the Arroyo Knights 20-19. This game stretched the Matadors' fantastic victory string to thirty-five straight. Both San Gabriel High School and the community are proud to have such a team. At this time we would like to express our congratulations.

Ann -  
 I wish  
 I was half the  
 girl you are; I  
 don't know why we  
 you say you envy us  
 All we do is call everyone  
 around and call everyone  
 queens!!! Actually we do  
 have a ball tho! Someday  
 I hope to see you on Broadway  
 in a revised version of "The  
 Boy friend"  
 Lots of luck and  
 hope to see you  
 sometime,  
 Love  
 Miriam

Ann - we had a  
 great time together this  
 year. Remember the  
 good times? I know  
 and I'm sure you do.  
 I'm sure you are going  
 to be a great success.  
 Love,  
 Donna

As this year comes to an end, there are many people whom I would like to thank for their patience, encouragement, help, and advice. Mr. Buffum deserves special thanks for his helpful assistance and his expert advice. Miss David, Mr. Neal, and Mr. Dawson have also given much extra time to the yearbook. I would like to thank the annual staff for its promptness, diligent work, ideas, and presence when needed. Anthony Loya Studio has done a wonderful job with the senior pictures, clubs, sports, and other incidentals. The S. K. Smith Cover Company and the Taylor Publishing Company have made our cover and put our plans into print. To my teachers, I extend my thanks for their understanding and patience when I missed classes for annual business, and I extend my gratefulness to the many others who have helped to make the El Camino Real.

Thanks Again,  
 Jeanette

or people say "who are you?" just hold your  
head high & say Randy Benders

Dear Anne  
You are really a great  
girl. I can really proud  
to say when I walk down  
the halls and point at you

Not many people are as lucky  
as me to say that. Actually  
you are my closest cousin.  
Have a good summer and
